14	Minor works in British Infantry Lines	982	874	"

The whole expenditure was debited to "His Majesty's Government."

(C) *Expansion of the Indian Infantry Lines at Erinpura.*—In August 1918 instructions were received through the Commanding Royal Engineer, V (Mhow) Division, to arrange for the accommodation of 370 additional men (including followers, etc.) in the Indian Infantry Lines at Erinpura. The works were taken in hand forthwith, but on the cessation of hostilities in November 1918, orders were received to stop work on all buildings not above plinth level, and also on all buildings of which the cost of completion would exceed the cost of abandonment having regard to the compensation that may have to be paid to contractors.

The estimated cost of the works completed, and those which have since been ordered to be completed amounts to Rs. 59,844 (inclusive of establishment and tools and plant charges), and the expenditure incurred thereon to end of 1918-19 is Rs. 38,014 including the departmental charges.

Following is a list of the works executed upto 31st March 1919 :—

	Estimated cost.	Expenditure during 1918-19.

6 Constructing ration stores for 250 men	2,000		
7 " rifle ranges	4,000		

The cost of the above works is also debitable to "His Majesty's Government."

(D) *Expansion of the Indian Infantry Lines at Deoli.*—In September 1918 the Quarter-Master-General in India asked the Public Works Department to arrange for the provision of temporary additional accommodation for 1,600 men in the Indian Infantry Lines at Deoli Cantonment.

The estimated cost of the works amounted to Rs. 1,82,751; tenders were invited and orders issued to contractors to collect materials and make necessary arrangements to start the works as quickly as possible as desired by the Military authorities. However, upon the announcement of the armistice in November 1918, orders were received to stop the works at Deoli, which by then had not progressed beyond collection of materials and excavation of foundations. The total estimated cost of the actual work done, including materials collected and compensation payable to contractors, amounts to Rs. 32,367 (exclusive of establishment and tools and plant charges), while the actual expenditure incurred on the project to end of 1918-19 is Rs. 28,038 (including departmental charges). Some of the materials collected have since been transferred to the Military Works Services, and other articles disposed of by public auction. The accounts for the work will be closed during 1919-20, and the expenditure is debitable to "His Majesty's Government."

PERSONNEL.

14. Mr. G. E. Hall, Superintending Engineer, continued to hold charge of the appointment of Superintending Engineer, Rajputana, and Secretary to the Local Administration in the Public Works Department except for the period 3rd May to 18th December 1918 when Mr. Hall was on combined leave. Mr. H. J. Hope, Executive Engineer (United Provinces), officiated as Superintending Engineer during Mr. Hall's absence.

Rai Bahadur Chhuttan Lal, Executive Engineer, held charge of the Ajmer Division throughout the year with effect from the 5th April 1918.

Mr. R. Gadsby, Executive Engineer, held charge of the Mount Abu Division throughout the year with effect from the 10th April 1918.

DIRECTOR, CIVIL SUPPLIES.

15. In May 1918 Mr. Hope, Officiating Superintending Engineer, and Secretary, Public Works Department, was appointed Director of Civil Supplies, Rajputana and Ajmer-Merwara, in addition to his ordinary duties. Local Priority Committees were appointed in Ajmer-Merwara and in most of the Native States of Rajputana for the purpose of considering applications of merchants for priority certificates for the transport of grain and merchandise, and as Director Mr. Hope rendered material help in obtaining food supplies for such parts of the Province as were most in need of replenishing their stocks.

On the return of Mr. Hall from leave in December 1918, the Civil Supplies Department was constituted a separate charge under Mr. Hope as "Director."

16. The usual appendices showing the roads maintained by the Public Works Department during the year, and furnishing details of the expenditure incurred under the various finance heads, are attached.

17. A map of the Province and a diagram showing the expenditure are also attached.
